PARTNERING OPPORTUNITIES 2025

Why partner with the Cambridge Roundtable?

- › Enjoy unique networking opportunities
- › Contribute to leading the agenda on geopolitical matters

The Cambridge Roundtable has a proven track record in convening high-level meetings with some of the most illustrious European personalities and organisations from politics, civil society, academia, and business. The series utilises its strong network and expertise to make these forums possible. As part of this, the Roundtable offers companies unique partnership opportunities. Partners and funders contribute to the organisation of the Roundtable editions and the conversations held, promoting crucial geopolitical themes and constructive discussion that can shape decision-making at the highest levels. Supporters of the Roundtable can also co-develop a public dimension, such as a university event with a significant guest speaker. The following options are available for partnering with the Cambridge Roundtable Rome Satellite (May 2025):

MAIN PARTNER (24K €)

- Advisory role in preparation of the Roundtable programme
- Public-facing event accompanying the Roundtable
(Plus all features of Partner)

PARTNER (16K €)

- Contribute to the Roundtable agenda by joining a panel
- Logo recognition during the event
- Invitation to the Roundtable
(Plus all features of Dinner Sponsor)

Dinner Sponsor (8K €)

- Invitation to the Roundtable Dinner
- Contribute to the Dinner agenda
- Logo and written acknowledge of support visible on official communications
